Hello! Thank you for inquiring about Camp Tawonga's summer 2010 staff positions. To ensure the best possible fit, and to give you a chance to get to know Tawonga before your interview, please review the following:

The **Summer Jobs** lists the *wide variety* of positions available at camp. There's a lot more to the Tawonga staff than counselors! Our camp has a support staff structure which allows activity specialists to focus on teaching, counselors to focus on kids, and gives support staff time and encouragement to help us fulfill our mission. If you have any questions regarding a position, please don't hesitate to call or email.

The **Application** should be filled out completely. Please indicate the three positions in which you have the most interest. Also, please be aware that:

Our Summer Season runs for 10 weeks: June 13 - August 20, 2010.

We only hire staff for the ENTIRE SUMMER.

You must be at least 18 years old as of June 20, 2010 to apply for a summer position.

Please submit the application then call to check on your status and to set up an interview.

We start interviewing at the San Francisco office in December. Please be mindful of setting up an interview at a time when you will be in the Bay Area, or call us to check if we'll be coming to your area, as we strongly prefer to do interviews in person.

We look forward to meeting you.

Sincerely,

Jamie Simon
Camp Director
